Before our parents started Koibana, they used to work here.
I guess you could say this is the origin of Koibana Onsen

So this is our room!

ONII-CHAN LOOK!
KOIBANA ONSEN IS DONE
WELCOME TO KOIBANA ONSEN!
and Nonoka is gone too
HUH?
He was just here...
They both left me here alone
That means
AKIYAMA
come this way
HA--
THIS PART OF THE BEACH SEEMS TO BE VERY ROCKY.

When I was working at Ying's hotel...
Whenever I felt upset I would often come here.
HUH?
WHAT MADE YOU FEEL UPSET?
this is the place where
my parents had their first kiss
HUH!?
WELL...
I WONDER WHY?
and since the hotel had a lot of rules, we often made mistakes
it was also the first time where me and my sisters lived separately
But once I come here, I feel much better!

I will never forget that expression of just how fortunate we were in their faces..
this place has also appeared in many stories..
that they used to tell us
When they passed away
and we inherited the hotel
I wished to see those expressions again...
The reason we started koibana onsen is because of this opportunity

I think I have that face on me...
Today ---
THUMP!!!
What do you think?

HOW ABOUT ...
